_____ I understand the above stated disclosure and **CONSENT** to the use of the spinal implants on the above stated list.

_____ I understand the above stated disclosure and **DO NOT CONSENT** to the use of spinal implants with which Dr. Jatana has a financial relationship (investor) or is a consultant.

BMP-2 (Infuse) (posterior cervical and lumbar fusions only)

Dr. Jatana also occasionally uses which is a protein that helps a fusion form between bones. It is not FDA approved for this use except when used with specific cages, but it is common practice in the community to use it for this “off-label” use to help a fusion. Please review internet-based websites if needed.

_____ I consent _____ I **do not** consent
